EDMONTON REPORT

By Donald F. Smith
Special Correspondent

EDMONTON, Planning for the establishment of a six-week teacher training course this summer is continuing by the Alberta department of education and a recruiting program has started among the province's Grade 12 students.

Regulations covering the course, which was discussed for many hours in the recent legislative session, have been approved by the cabinet and will be sent to high schools throughout the province this week. Designed to place student-teachers in classrooms which have been supervised for years by correspondence course supervisors, the six-week course will be operated by the University of Alberta faculty of education.

Supporters of the plan say it is a step in the direction of providing qualified teachers for more than 2,000 Alberta children, almost all of whom are in isolated areas and have been taking their education through the education department's correspondence branch.

Two groups of students will be able to qualify for training in the short course. They are those who are 18 years of age or over and who have either obtained their high school diploma or who expect to graduate this year from Grade 12. The latter group will not know definitely whether they have graduated until some time in August.

The student completing Grade 12 this year will require a written statement from his principal to the effect that there is little doubt he will graduate with the necessary standing in the required subjects. He will have to have obtained 67 high school credits in the high school years to Grade 11 and they must include English, social studies, mathematics and science with an average of at least 60 per cent in each.

Graduation from the summer school course will entitle the student to a certificate designating him as a "student-teacher" for one year only.

Renewal of the certificates for a second year will occur only after completion of a second six-week course in the second summer. A similar restriction faces a renewal application for a third year of teaching. Three summer sessions will be considered as one full year's training toward certification as a teacher.

Qualifications for the second six-week program includes having a recommendation from the district superintendent of schools, attesting to the student-teacher's ability during the first year.

One of the arguments of legislative members opposed to the plan was that the program did not

Total Mill Rate is 55

Town's Tax Rate Up Seven Mills This Year

The Town of Vulcan tax rate for the current year has been set at 55 mills, an increase of seven mills over last year. The total rate is comprised of 29 mills for school purposes, 4 for hospital and 22 mills for municipal purposes. Great increase over last year is for schools, up six mills. Hospital and municipal rates are both up one-half mill.

Total assessment value of property in the town is \$1,182,660, as at Dec. 31, 1953. The town has budgeted for expenditures of \$109,999 this year, with major expenditures estimated as follows:

General government \$8,375; Protection to persons and property, \$5,500; Public works \$10,235; Sanitation and waste removal \$6,000; Health \$4,754; Social Welfare \$810 Education \$34,297; Debt charges including payments on principal \$15,437; Capital expenditures \$10,500; Survey, Health Unit and Civil Defence \$4,253.

Mayor W. D. Allan presided at the regular town council meeting held Monday evening and Councilors Morrison, Jamison, McAskill, Findlay, Jesse and Richardson were present.

By-laws 306 and 307, which had been approved by the ratepayers, were both given final reading and passed. (These by-laws covered the purchase of 91.5 acres of land west of town as a recreation area and the offering for sale of 40 acres formerly held for this purpose).

The police report for the month of April was presented by Constable J. L. Moyer.

Estimates for the year 1954 were carefully reviewed and the budget

provide that students entering the course would be allowed to teach only where regularly certified teachers could not be obtained. This is not contained in the act, as passed by the legislature or in the regulations approved by the cabinet. Observers on both sides and those who are neutral will be watching with interest this fall to see how many of the classrooms which were empty this year and for past years come under the tutelage of the student-teachers.

Under the act, the graduates of the six-week course will not be considered teachers for the purposes of wages, pension plans or membership in the Alberta Teachers' Association. Maximum salary allowed to be paid to student teachers is a couple of hundred dollars a year less than the school district's lowest paid certified teacher.

Royal Purple Offers Scholarships For Grade 9 Pupils

O.R.P., Vulcan Lodge No. 133 will offer scholarship to grade 9 pupils from Reid Hill, Milo and Vulcan schools annually. The sum of \$25 per subject will be presented to the pupils in grade 9, with the highest marks in the following subjects: English, Social Studies, Science and Mathematics.

Only one scholarship per pupil will be presented. Should a student receive the highest marks in more than one of the selected subjects he will be granted the scholarship in the subject in which he received the higher mark. Should there be more than one mark tie for top position in any subject the scholarship will be awarded on the basis of standing in other subjects (average). In order to qualify for the scholarship a minimum of A (60%) is required.

White-McIntyre Wedding Rites

Vulcan United church was the scene of a lovely afternoon wedding on Sunday, May 9 for the marriage of Miss Shirley May McIntyre, daughter of Mr. and Mrs. Ross McIntyre and Mr. Terrance Francis White, son of Mr. and Mrs. B. White. Officiating at the ceremony was Rev. J. S. Clarke. The altar of the church was decorated with bouquets of spring flowers.

The bride was given in marriage by her father. She wore a white waist-length gown with strapless bodice and a jacket of rose-point lace. The net over-skirt poised over crinoline had lace appliques embroidered with seed pearls. Her finger-tip length veil was held in place with a pearl tiara and she carried a bouquet of red roses.

The maid of honor, Miss Joan Thomas, cousin of the bride wore a gown of coral net over taffeta, with lace bodice and bolero.

Miss Marlene Larkins as bridesmaid wore pale green net over taffeta, with a bodice and bolero of satin, brocade in gold. Each wore a head piece and gloves, matching their gown and carried bouquets of spring flowers.

The bridegroom was attended by his brother, Mr. Danny White and the ushers were Mr. Allan Thomas and Mr. Ted Rummell.

Mrs. J. S. Clarke played the wedding music and during the signing of the register Mrs. Lillian Lancaster sang "Because."

Following the ceremony a reception for 40 guests was held in the church banquet room. The bride's table was centered with a three-tiered wedding cake, flanked by tall white tapers and bouquets of sweet peas. Rev. Clarke proposed the toast to the bride and Mr. Allan Thomas offered the toast to the bridesmaids to which Mr. Danny White responded.

Telegrams of congratulations were received and Mrs. Lancaster sang "I'll Walk Beside You" and "Oh, Promise Me."

The bride changed to a grey wool suit with weskit and a box-style coat of grey and white check. Her corsage was of red roses.

A planned honeymoon to the U. S. was unavoidably postponed due to illness and it was necessary for them to return after reaching Lethbridge.

Miss Myrna McIntyre was unable to attend her sister's wedding as maid of honor, also due to illness.

Out-of-town guests included the grandmothers of the bride and groom, Mrs. Ivor Robley of Red Deer and Mrs. James Lucas of Calgary respectively; Mrs. Lorraine Kightley, Helen, Bob and Douglas; Mr. and Mrs. Gordon Burroughs and family and Mrs. Opal Drummond all of Calgary.

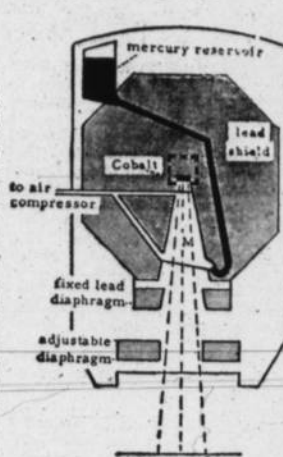

Baptismal Service Held At Calgary

"Gregory Noel" was the name given the young son of Mr. and Mrs. Donald Noel Jantzie at a private baptismal service held at the Wesley United Church on Sunday, May 9 at 4 p.m.

Also baptized was Stephanie E. Dunlop, infant daughter of Mr. and Mrs. Peter Dunlop of Toronto, who had followed to Calgary to have their baby baptized at this service by Rev. L. C. Lawson, who was a former pastor of their home church. Mrs. Dunlop's mother, Mrs. R. Knowles, accompanied them on the trip west. Mrs. Dunlop and Mrs. Jantzie are cousins and very close friends.

After the service, 20 relatives

Cobalt "Bomb"

This simplified diagram shows the construction of the Cobalt-60 beam therapy unit which will be used to treat cancer patients at the Provincial Cancer Clinic, Edmonton. The cobalt source, consisting of 25 discs of cobalt, each a half millimetre thick and one inch in diameter, is surrounded, except in the forward position by approximately 11 inches of lead. The cone shaped port in the forward direction is normally filled with mercury (M) to cut off the radiation until the patient is ready for treatment. After the patient is placed in position, the mercury is forced out of the port by compressed air, allowing the rays from the cobalt to reach the patient.

Mrs. Manning, delegate to Alberta Home and School conference at Edmonton will also bring part of her report. Coffee will be served.

Warm Weather Needed

Seeding Greatly Delayed Due To Late Spring

Seeding was just nicely getting underway Tuesday of this week and was delayed again on Wednesday when heavy showers fell in some parts of the district Tuesday night. The weather is still cloudy and cool compared to normal weather for this time of year and seeding operations have been delayed throughout the entire province. Considerable snowfall was received in April and low-lying places are still too wet to be worked.

It is not anticipated that there will be any reduction of wheat acreage sown this spring throughout the County of Vulcan, although the storage situation may be acute this fall and the marketing problem shows little improvement.

There has been good movement of low-grade wheat out of most elevators in this area and Vulcan, along with some other points, was allotted an additional one bushel per cultivated acre selling quota this week as space became available. Reports indicate that most district elevators can easily handle the one-bushel quota and even this relatively small amount of extra cash made available will be welcomed by most farmers.

The moisture situation, according to reports, is above-average on summerfall and below-average on stubble land. Right now the big need is for warm, dry weather so that seeding can be completed without further delay.

Of the two families were luncheon guests of Mr. and Mrs. E. S. MacGregor. A toast suitable to the occasion was proposed by Bert Dunlop.

The two babies received many beautiful cards and gifts to commemorate this important day in their lives and there was a gift all so for the four grandmothers, who were all present. Out-of-town guests were Mrs. R. Knowles of London, Ont.; Mrs. U. Jupp of Vancouver, B. C. and Mr. and Mrs. D. O. Jantzie and Michael of Vulcan.

Within 50 years Latin-America's population may reach 500,000,000 million. It is now about 175,000,000.

Another of the new popular titles in the library is another C. S. Forrester story, "Horatio Hornblower and the Atropoes". It needs no introduction to any who have read other Hornblower stories.

Defeat Bylaw 387 to 214

Ratepayers Veto Plan To Build Seed Cleaning Plant

Ratepayers of the County of Vulcan, in a county-wide poll held on Saturday, May 8, voted decisively against a by-law which would have committed the County to a \$15,000 expenditure towards the construction of a seed cleaning plant at Vulcan and thus, in effect, turned down the proposal to have such a plant constructed here.

The vote was 214 in favor of the by-law and 387 against. Although weather and roads were good, the vote was light, only about 30% of the resident ratepayers of the County casting their ballots. Bruce Alder of Champion was the returning officer.

The \$15,000 expenditure by the County would have amounted to approximately one-third the cost of the proposed seed cleaning plant. Under the plan, the provincial government would contribute an amount equal to the County's contribution of up to \$15,000 and the balance of the required funds would have been raised through the sale of shares to farmers.

The voting indicated, in general that the south and east parts of the County were most strongly opposed to construction of the proposed seed cleaning plant at Vulcan. Complete poll-by-poll results are shown below.

loar, of 50 chairs. A lovely proficiency badge, in the form of flowers, was presented to Mrs. Reuss by Linda Roebuck and Linda Petley on behalf of the Brownies.

In expressing appreciation Mrs. Reuss thanked her two Tawny Owls, Mrs. Reg Walker and Mrs. Art Scott, for all the thought and care put into the work during her absence from the pack.

Mrs. Nelsie Robertson and her helpers were cheered lustily by Brownies and Guides for their unflinching help in providing refreshments whenever called upon.

The program closed with the singing of "The Queen" and prayer by the Rev. J. C. Reuss.

Ross Ruggles President

Champion Sportsmen Form Fish and Game Association

Hunters and fishermen of the Champion district have organized to form a Champion Fish and Game Association, with the first meeting being held in the Champion Community Hall last Thursday evening.

The Association has two main objects: (1) To have the lake formed by the new Travers Dam east of Champion stocked with game fish, and (2) to improve hunting and fishing in the general Champion area. The association will be affiliated with other fish and game groups throughout the province.

Ross Ruggles was elected as first president of the new association; Wayne Anderson is vice-president and Martin Matlock was chosen as secretary-treasurer. The following six directors were elected: George Hummell, Harry Higgins, Bill Christensen, Gordon Davies, Earl Hegland and Russell Hegland.

Vulcan was represented at the meeting and if a separate association is not formed for the Vulcan area Vulcan fishermen and hunters will be invited to join and support the Champion group.

The Stately Association was represented at the meeting by President K. Hanson and Secretary R. Jarvis, who assisted in organizing the new Champion fish and game group.

Honored At Farewell Party

Miss Queenie Marshall, who leaves Vulcan shortly, was the guest of honor Sunday evening, when friends of St. Aldhelm's Anglican Guild gathered at the home of Mrs. W. S. Hill to tender her a farewell party.

A pleasant social evening was enjoyed and Mrs. Pat Collier, on behalf of the ladies of the Guild presented Queenie with a traveler's clock and a bracelet. Mrs. Collier expressed the regret of all at the departure of this long-time resident.

Miss Marshall has lived in Vulcan for some 24 years and for the past 15 years has owned and operated the ladies-ready-to-wear store bearing her name.

A dainty lunch was served by the hostess assisted by Mrs. Bernice Buehler, Mrs. Eileen Schuler and Mrs. Shirley Franks.

Youth Fellowship District Rally

The spring district rally of the Youth Fellowship of the Evangelical United Brethren Church was held on Sunday, May 2 in the E.U. B. Church, Vulcan.

There were three services held. Rev. Sukut of Calgary brought the morning message. Paul Shimpf, district director of the Youth Fellowship, was in charge of the afternoon. The evening speaker was Gordon Elhardt, president of the conference youth fellowship. Very fine numbers were brought in special singing and instrumental selections throughout the services.

The following districts were represented with good attendance: Warner, Torrington, Three Hills and Calgary.

Bridal Shower For Shirley McIntyre

Mrs. Mike Orchard was hostess Friday evening at a miscellaneous bridal shower honoring Miss Shirley McIntyre. White and pink bows and streamers trimmed the bride's chair.

Gifts for the bride-elect were presented by Miss Marlene Larkins, Orchard and Miss Marlene Larkins. The guest of honor was assisted in opening her gifts by her own mother, Mrs. Ross McIntyre, and by the mother of the groom, Mrs. Bruce White.

Games were played and refreshments served to some 60 guests. Mrs. Orchard was assisted by several ladies of the district.

Curling Club's Artificial Ice Project Tabled Until Fall

At a meeting of the Executive and interested members of the Vulcan Curling Club held May 9th, the matter of installation of artificial ice in the local curling rink was thoroughly discussed. The best proposition under consideration was an artificial ice plant capable of maintaining ice on sheets of curling ice but with installation of only three sheets of plastic pipe at this time. Cost would be \$22,000.

Upon considering and tabulating replies received to 200 circular letters mailed to curlers, ex-curlers, etc., it was decided to table installation of artificial ice until a general meeting of curlers could be called at a later date, possibly Nov 1st next, when further discussion in the light of conditions then existing could be carried on.

A motion for study and discussion of an improved curling schedule and increased curling activities for the 1954-55 season was also tabled and will be brought up at the first general meeting in the fall.

The concession at the Curling Club was discussed and on motion turned over to the Vulcan Ladies Curling Club in accordance with their stated request.

Necessary cistern repairs and cleaning as well as installation of eaves-troughing required for a soft water supply was approved with the work to be completed at an early date and any funds required to be borrowed from the bank.

All the cheques issued by curling members, in support of the artificial ice program will be returned to the makers forthwith.

Will Present Memory Drama

Sponsored by the Christian Men's Club, W. E. Stram, Principal of South Dakota Bible College, will present a Scripture Memory Drama entitled "The Triumph of the King of Kings" at the Vulcan Church of Christ Friday night, May 14 at 8 p.m.

This drama, interwoven with music, has been heard by thousands of people on the continent and in the mission field. It is composed of more than 300 verses of

W. E. Stram

Scripture committed to memory and presented with a high degree of dramatics and eloquence.

Mr. Stram is a well known educator, lecturer and writer. He held a series of special services in Vulcan in 1931 and will be remembered by a number of people who were residents at that time.

This is another effort of the Christian Men's Club to bring to Vulcan a program of community interest and a man of distinction and ability.

For a Permanent Agriculture.

Food can't be produced in factories or laboratories. It has to be grown, and the growing of it is a slow and intricate process. Man can't perform the miracle of turning earth, air, and water into living plants and animals on which he can feed.

Our lives depend on the lives of the plants and animals on which we live. Their lives, in turn, depend on the lives of infinite numbers of living things whose activities created the soil in which things grow, and still keep it in condition for the growing of plants.

This process went on for millions of years before there was enough soil on the earth to support man. He was a late arrival at the feast; and when he arrived he took possession and declared himself the Lord of Creation. He reaped the fruits of the labors of all the plants and animals that had gone before him, and he did it without regard for the effect his activities might have on them.

Now he is beginning to learn that his dominion over earth and all its creatures is in a fair way to render the whole earth uninhabitable, for he is destroying the soil on which all life depends. He takes everything from it and puts nothing back. He removes the protective covering from the land and leaves it exposed to the winds. He drains off the water as fast as it falls and allows it to carry the soil with it. He lowers the water table and leaves the soil too dry for the proper functioning of the living organisms that build it and condition it for the production of plant life.

What can man do to check the process of soil depletion, and to put agriculture on an enduring basis—a basis on which he can help to take care of all the living things that take care of him?

He can grow crops that are helpful to the land. He can restore vegetable fibre and manure to it. He can cultivate it in such a way as to absorb moisture and store it, rather than let it all rush away as it falls. He can create in the soil, conditions favorable to the development of those living things that build soil and keep it in condition for plant life.

This is farming for the future. It may not be as profitable at the moment as exploiting the land. It will require more work and expenses; but it is the only way in which the human race can help to continue on the earth. The farmers must do it and the race will have to make it worth their while to do it.

Rural Economy, an English farm paper of some standing, says that the first essential of a sound agricultural economy is a change in relative prices, and wages that will give the primary producers a considerable larger share of the national income. If the land is to be maintained, enough of what is produced must be left with the farmers to enable them to maintain it.

Letters to the Editor

The Editor, Vulcan Advocate.

Dear Sir:

We read Town Ratepayers' letter with approval, and the consensus among neighbors and friends is that every word of it is true. One omission to the town's credit is that last year drainage problems were partially corrected, and through the good work of ex-Councillor Scales several culverts were placed at necessary places. An omission on the debit side is that Town of Vulcan buildings are an unwholesome sight, badly needing painting up. Council could set their own example.

Drainage should be further improved by leading the water from street corners to the storm sewers by pipes 6 feet underground. This would eliminate much of the muck and debris that Ratepayer so rightly complains about. Having thus cleared the edges, either fill the ditches with gravel and put a high crown on the roads (so you can park with some traction to get out), or grade the streets with a view to paving some of them when the highway goes by in (?) 1956.

The latter alternative obviously calls for more support than the Council is or has been getting. True, some hare-brained property deals have been made, but if people were as ready to speak or act as they are to criticize unfavorably, the town Council might be guided in their deliberations. After all, being Mayor or Councillor, is a thankless job. Asking for things on the street is hardly the way to get things done. If enough people attend your meetings with regularity, you should be getting something done. If not, then the town ratepayers have only themselves to blame. What good is the energy wasted in coffee-shop gossip? If some of the more vocal of the coffee hounds were to bend their talents in the right place at the right time, they might see some of the wrongs righted. The Board of Trade had an excellent year in 1953, and we would like to see regular frequent meetings held and attended, during 1954. A habitual complainer in the barber shop or on the street corner is generally useless. So bring the complaints to Council or Board direct and thresh it out.

It really is high time the community grew up to its responsibilities. If Fort MacLeod, Olds and other centres can do what they have done to their streets, then why can't Vulcan? He who thinks is alive; he who thinks and acts collectively without fear of hurting someone's feelings or losing business, is an asset to his or her community, and a live-wire. There is no dearth of live-wires in town, but while they put up with the dust, we'll take the farm life any day. For the Town to say there is a dearth of money, we feel this excuse wears a bit thin.

Other small communities have financed and profited by, the installation of parking meters. Now if we knew that every nickel we put in one of these would go toward paving the streets, we'd gladly contribute every time we came into town. We would like to see some editorials or expression of opinion on this subject. Our town friends are being soaked for their water. Why not tap the travellers and commuters gently but faithfully for parking? Could not Council and Board of Trade develop a broad far-sighted policy of getting concrete results? If the ratepayers meet together and decide what they want could they not throw every weight of support behind it, once the policy has been put into operation. You have new, young councillors this year. Do not frighten them, but give them all possible support by being there when the beefs are presented.

We should like to see continuity and emphasis given to this important matter through the columns of your paper.

Yours truly,

"Dusted Off"

Editor, Vulcan Advocate.
Dear Sir:

Through the columns of your paper I would like to say a few words of congratulations to the students of the County of Vulcan Schools. The cast of H.M.S. Pinafore looked with trepidation at some 600 children of all ages from four to —. "Six hundred children can make a terrific noise," "they'll get too tired and restless," "what have we let ourselves in for?" Children are the most difficult audience to entertain, woe is me! were some of the comments heard back-stage. At certain time silence reigned supreme. During the presentation some six hundred children laughed at the jokes and applauded at the right times—a perfect audience. We, the cast of H.M.S. Pinafore, wish to thank you all for your exemplary behavior, your interest and enthusiasm. Entertaining you was indeed a pleasure. From all of us to all of you—thank you again.

Yours sincerely,
Secretary-Treasurer,
Vulcan Choral Society.

Master Farm Family Award

The Master Farm Family program will be continued this year on much the same basis as during former years.

Objectives of the award are to honor farm families who have achieved outstanding success in farming, homemaking and citizenship. To provide a practical demonstration of farm and family progress and of approved practices that bring success. To draw attention to the advantages of farming as a vocation and to the wholesomeness and dignity of rural life. To set before the rising generation the higher ideals of agriculture and the opportunities in rural citizenship.

Before a farm family can qualify for the Master Farm Family Award the following requirements must be fulfilled. The family must be Canadian citizens. The head of the family must be the owner-operator or lease operator of the farm. The head of the family must have spent at least 20 consecutive years in actual operation of a farm. Absence on military service will be accepted in lieu. A farm operated as a partnership or business agreement, involving other members of the family i.e. wife, and or children of the operator is not eligible.

Nominations for the Master Farm Family Award must be made on the form provided. These forms are available from the office of your nearest District Agriculturist. This form must be signed by

three neighbors, accepted by the nominee, and forwarded to the District Agriculturist by June 1.

For the purpose of making the award the Province is divided into five regions corresponding to the soil zones. The award is made on the basis of findings made by three committees, the first being a district elimination committee, the second being the regional committee, which works on a regional basis, and the third a provincial committee which recommends to the Minister of Agriculture the names of the farm families to whom the award is to be made.

If the award consists of \$1000, a plaque, and a gate plate to be placed at the entrance of the farmstead.

BRANT

The Ladies Aid meet at the home of Mrs. Gordon Thompson on Thursday afternoon with 16 members present. The meeting was opened by devotional given by Mrs. Sellers, followed by reading of the Lord's Prayer. Then we all joined in singing a hymn. Roll call was answered by your favorite recipe. Then Mrs. Christofferson read the minutes from the previous meeting. A letter of thanks was received and read from Clifford Jensen and Mrs. Simons of the Cancer Association in Calgary. No new business was discussed. Meeting closed by singing of a hymn and the benediction. A lovely lunch was served by Mrs. Mary McDonald and Mrs. Jack Kennedy.

Home and School association met in Brant school on May 5 with a fair attendance. The creed was read and minutes of previous meeting read and adopted. Financial report showed \$104.60 on hand. Miss Kennedy's room won the prize for best attendance. Mrs.

Cliff Fletcher gave report on resolutions to be presented at Home and School conference at Edmonton. Mrs. Knapp gave a report on Vulcan Institute. Graduation presentation was then discussed with suggestions asked for instead of spoons. Mrs. Pearson and Mrs. Burley volunteered to tabulate the ballots which were distributed after the meeting. A brief discussion on teacher shortage took place. A committee program to organize next year's programs was formed. A vote was then taken on resolutions to be presented at convention. Program consisted of a panel discussion on school curriculum. Everyone retired to the basement for lunch.

Mr. and Mrs. Burley and Mr. and Mrs. R. D. McDonald motored to Calgary Tuesday evening to attend a hockey game.

Mr. and Mrs. O. Baskin motored to Nanton Sunday.

Mr. and Mrs. Gallagher motored to Calgary Thursday to visit their son Donney who is a patient in the Holy Cross hospital.

Mr. and Mrs. Henry Bateman and son Wayne motored to Drumheller for two day holiday.

Miss Marjorie Hamilton from Calgary spent the weekend visiting her parents, Mr. and Mrs. G. Hamilton.

Mr. and Mrs. Gordon Thompson and son Allen, and Fred Burley motored to Calgary Thursday to attend the hockey game.

QUEENSTOWN

Mrs. Johnny Elliott and children are visiting at the home of Mrs. Elliott's parents, Mr. and Mrs. Don Yull.

A number from our district attended the operetta in Milo on Tuesday which was presented by the Vulcan Choral Society. It was a very enjoyable performance and we hope to see more of this type of entertainment in the future.

We seem to be having our long-awaited spring weather at last, and there is much bustle and ado

among the farmers and also the housewife with her spring cleaning. Bob Gooch is again on the sick list and we wish him a speedy recovery.

The monthly W.I. meeting was held at the home of Mrs. Clara Kingsmith on Wednesday evening and the ladies have been busy on the quilting of an applique spread, which will be displayed at the Conference.

HERRONTON

Mrs. Joe Murphy has been substituting for Mrs. Gartley, the teacher of the junior room this week.

Donnie Benne spent the Easter holidays with his uncle and aunt, Mr. and Mrs. Clifford Laycraft.

Mr. and Mrs. Gordon Colwell and boys of Calgary spent the weekend at the home of Mr. and Mrs. George Verigin.

Mr. and Mrs. Lorne Maisey and family spent the weekend at Champion visiting Mr. and Mrs. Max Groves.

Elaine Tataroff who won the table tennis championship and also the games championship, was awarded a prize for her achievement.

A change in program has been announced for the final National Film Board showings which are in definitely scheduled for May 21. The new list includes the following: "Eye Witness No. 40" which deals with grain shipping and surgery at a modern hospital. "With the Canadians in Korea" is a first hand view of the Korean battleground as it was during the fighting. "Traveller's Cheques" in color deals with the tourists' travels in Canada. Also another film on Eskimos.

Mr. and Mrs. Harry Weber and Mr. and Mrs. Joe Leslie attended the Silver Wedding Anniversary celebration of Mr. and Mrs. Jas. Groves at Carseland on Saturday evening.

The grades 3 and 4 pupils held a Mother's Day Tea on Saturday in aid of the Junior Red Cross. The children themselves did a very excellent job of serving.

The Webbers and Beagles took in both Les Gotcher square dances at Claresholm and High River.

There are more than a thousand women enrolled as members of the Canadian Red Cross Corps. They serve for you.

The next meeting will be held at the home of Mrs. A. MacAlpine on the 4th Wednesday of the month and the roll call will be "My Favorite Dessert."

The meeting of the Home and School Assn. has been postponed for a week due to the Provincial Convention which is being held in Edmonton, and will be held on the 20th.

Softball practise has started at the school and the ball grounds were the scene of baseball practice on Sunday.

Mrs. Ed Ronney of Peacock Siding was hostess on Thursday at a Stanley Tea at which Mrs. E. Stotz was the demonstrator.

At the organization meeting of the Fish and Game Association, Ivan Ohler was elected president, Alvin Anderson vice-president and J. Korth secretary. From a membership of over 40 the following six directors were elected: Bright Robertson, Frank Teskey, Hally MacIntyre, Glenn Church, Homer Wentworth and Melvin MacLeod. A directors' meeting was held on Thursday and it was decided to hold a pike derby for children under 16, a complete rod will be given as a prize, and this will be presented to the winner at the dance to be held on June 18th.

The weekly dances of the local Square Dance Club have been discontinued for the present. They expect to make them a regular feature again in the fall. If conditions warrant, one or two dances may be held during the summer.

Some of the local men are engaged in burning off and leveling the ground on a number of vacant lots at the northeast part of town, to be used as runways for the local flyers.

On Friday afternoon, May 7 the ladies of the United Church held their annual Mother's Day entertainment in the church, attended by many women of the parish, accompanied by a large number of pre-school children. The conduct of these little ones was most praiseworthy. Mrs. Bill Gray opened the entertainment with a reading from a book of sermons, followed by the hymn "What a Friend we have in Jesus." A piano solo by Mrs. Lee Baldwin; a duet "That wonderful mother of mine" by Mrs. B. Gray and E. Stettner, accompanied by Mrs. L. Baldwin, a humorous reading by Mrs. John MacFarland, contests by the ladies and one by the CGIT girls, and hymns by the audience were all very much enjoyed. Potted plants were presented to the oldest grandmother, Mrs. W. H. Miller, the youngest grandmother, Mrs. Geo. Davis; the mother of the largest family, Mrs. Ensign, Sr. and the youngest mother, Mrs. Hermans. The Rev. Peter Dawson pronounced the blessing after which the ladies aid treated the assembly to a most delicious lunch, served in the church basement. A hearty vote of thanks should be

extended from all the women of the community to these ladies who worked so many hours to provide this entertainment.

The owner of the local hotel, the Grange, M. Batycky, has purchased the Rainbow Hotel in Coaldale and opened it to the public Monday the third. This hotel had been closed for some time, its licence suspended for an infraction of the liquor laws. Meanwhile the Grange is still operating under the supervision of Mrs. Batycky, pending further arrangements.

THE ALBERTA GOLDEN JUBILEE ANTHOLOGY

The Golden Jubilee Committee of the Government of the Province of Alberta has announced the publication in 1955 of a volume to contain the best original work of Alberta authors—fiction, poetry, drama, articles and radio scripts; and has appointed an Editorial Board to make the necessary selection. Hereinunder are the rules and regulations to govern the submission of manuscripts.

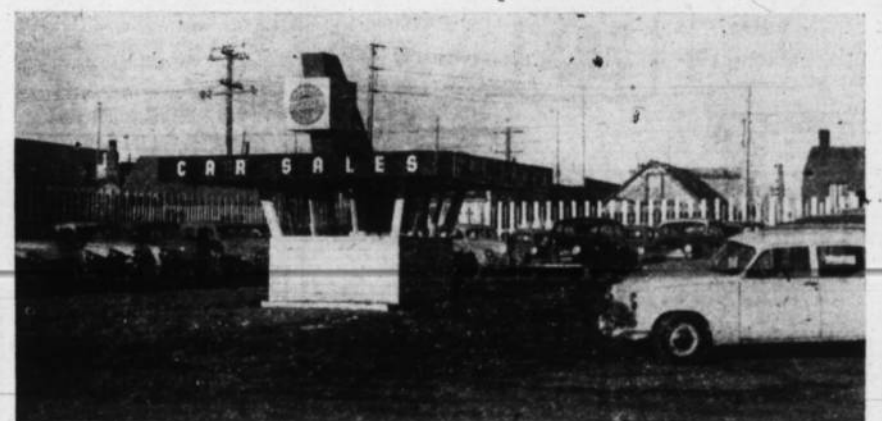

ELIGIBILITY AND RULES

1. Any resident of Alberta is eligible to submit manuscripts.
2. Manuscripts must be original and previously unpublished, typewritten and double-spaced. The editors, however, reserve the right to modify this regulation if necessary.
3. A pen name may be used for publication.
4. Authors desiring the return of unacceptable manuscripts please enclose a self-addressed envelope to facilitate their return.
5. Manuscripts required consist of articles relating to Alberta, historical or general, up to a length not to exceed 2,500 words; fiction or any theme, locale or period, up to a length not exceeding 5,000 words (a shorter length is preferred) poetry not to exceed 42 lines. Radio and dramatic scripts will also be considered. Since the Editorial Board reserves the right to assign feature articles, authors with articles in mind should first write to the Secretary outlining their ideas or idea. Assignment, however, does not necessarily mean acceptance.
6. Under a standard contract agreement with the publisher, McClelland and Stewart, royalties deriving from the sale of the book will be paid to the Edmonton Branch, Canadian Authors' Association. After deducting necessary expenses, the Edmonton Branch, Canadian Authors' Association will pay such monies to the authors published in the book on a pro-rata basis.
7. All rights (inclusive of second rights, reprint, periodicals, TV, and motion picture) are to be held by the publisher.
8. The Editorial Board will evaluate all scripts, reserving the right to alter, rewrite, condense, and combine manuscripts. Final selection of manuscripts, however, will be made by the editors of McClelland and Stewart.
9. The submission of any manuscript signifies an acceptance of all the rules, regulations, and conditions as above stated.
10. DEADLINE — All manuscripts must be in the hands of the Secretary by June 30th, 1954.
11. Manuscripts should be sent by first-class mail to:

Mrs. Margaret Johnson, Secretary, Editorial Board,
7615 - 111th Street, Edmonton, Alberta.

Further information may be obtained from Blake MacKenzie, Secretary, Golden Jubilee Committee

and see!

Pick the road... pick the time... then slip behind the wheel of a brilliant new Dodge for 5 miles of fun and facts.

You'll find driving Dodge an eye-opening experience — one that might save you plenty when it comes time to buy a new car.

So put the dependable Dodge to the test, mile by mile... and see the difference. A phone call to your Dodge-De Soto dealer will bring a Dodge to your doorstep.

Before you buy anywhere, ask your Dodge-De Soto dealer what extra value he can offer on a dependable new or used car.

**1ST MILE**

Notice the visibility and comfort you get in Dodge. Seats are soft and restful and chair-high so you command a better view of the road down in front. Notice the extra headroom and legroom, too.

**2ND MILE**

Try it for handling ease. Big brakes with rivetless Cyclebond linings make stopping easy. High steering gear ratio makes turning easier. And Dodge Full Power Steering* gives safe control with finger-tip pressure. These are advantages to remember particularly during May, which is Safety Month.

**3RD MILE**

Check its "big-car" ride over bumps you usually avoid. You'll find the Dodge ride smooth and sure-footed on any road, thanks to Griflow shock absorbers, easy-action springs and lower centre of gravity.

**4TH MILE**

Test Dodge power on hills or on the open highway. Enjoy its quick, easy getaway. There's plenty of reserve power to hurry you safely out of tight spots. And Dodge provides this zip without requiring premium gasoline.

**5TH MILE**

Ask about the extras you get at no extra cost. Things like luxurious upholstery fabrics with vinyl trim... electric windshield wipers... oil-bath air cleaner. Then check the price, and see why the Dependable Dodge is your best buy.

MAJORVILLE

Complications following an attack of mumps has resulted in Gene Henry being hospitalized in Bassano hospital. Wishes for a speedy recovery are sent to Gene from all of his friends.

Mumps like the poor, appear to be with us to stay, in the days of the little red school house it was easy to escape the disease, but with children going to school in busses the spread of mumps has been widespread and long drawn out. It should soon have run its course for this reason, the number of grownups affected has been surprising and the cases with complications points to the fact it isn't the simple harmless affair we think.

Mr. and Mrs. Geo. Heather had their granddaughter Carol Jacobson of Enchant visiting with them for a week.

Marlie Fraser and Strang Fraser of Cluny were visitors on Sunday at the home of their brother-in-law and sister, Mr. and Mrs. Bert Clemmons.

Mr. and Mrs. Harold Beatty and Jon of Lathom were guests at the home of Mr. and Mrs. Bartsch last Sunday.

On the occasion of his birthday little Ronnie Deitz entertained a number of his small fry friends last Wednesday afternoon.

We thought spring had arrived and some farmers had made a start with pre-seeding cultivation but showers on Monday put a stop to field work. Most fields are too moist for seeding altho' with the lateness of the season work in the land will be under-way this week.

Last week Jack Sutherland was fencing thro' a slough on a raft. Jack gave a hefty pull to tighten the wire and shot the raft out from under him, ending in the slough up to his armpits in water. Les Marshall and Bill Beckner who were with Jack hauled him aboard and took him home for a change of raiment none the worse for his first swim of the season.

Library Notes

Amongst the books for young people is "Juno, the Sleigh Dog" by Wes Lathrop. Pierre is an average American boy who tells the story of hardship and difficulty of existence in the frozen wastes of Alaska. Deserted there by his Indian Guide, he is encouraged and helped by Juno, his huge gray sleigh dog. This story is packed with action and mystery. It is written with singular beauty and force, and each chapter holds the reader in stirring suspense.

Congratulations to Dr. and Mrs. A. D. Tompkins on the birth of a son, Monday, May 10, at the local hospital.

Sunday visitors to Calgary were Mr. and Mrs. Cecil Warden and small son; Mr. and Mrs. Gordon Gardner and family, Mr. and Mrs. Bruce Gonyea and girls and Mr. Charles Gonyea.

The life of John Ware, pioneer cowboy and one of the outstanding and best known figures in the early days of this part of the province, was the subject of a radio broadcast over CBX in April. The Misses Mildred and Nettie Ware of Kirkcaldy are daughters of the famous cowboy.

Mr. and Mrs. E. J. Loxton and Mrs. L. Jackson spent Sunday at the home of Mr. and Mrs. M. Loxton in Lethbridge.

Miss Marlene Dobbs of Calgary visited with her grandmother, Mrs. Margaret Dobbs, who is ill at her home here.

Mrs. Knowles of London, Ont., Mrs. U. Jupp of Victoria, B. C. and Mrs. E. S. MacGregor of Calgary were guests of Mr. and Mrs. Donald Jantzie on Monday and Tuesday.

Mr. and Mrs. W. H. Richardson and Mr. and Mrs. R. C. Munro were Calgary visitors last weekend to attend the annual Calgary Highlanders Ball.

Mr. and Mrs. Charlie Campbell and family have returned to make their home at Vulcan after spending the past two years at Barons.

Mrs. James Chapman was a business visitor to Calgary on Thursday.

Mr. and Mrs. Cecil Matlock spent Mothers' Day at the Don Stuart home in Calgary.

Mr. and Mrs. C. Fleming spent Sunday in Calgary.

Friends of Mr. and Mrs. Charlie Campbell will regret to learn their little son, Dougie, was admitted to the local hospital Tuesday, suffering with an ear infection.

Mr. and Mrs. R. J. Buehler were Calgary visitors on Monday.

Mr. and Mrs. J. P. O'Connell and family of Lethbridge renewed acquaintances here over the weekend.

Word has been received here of the serious illness of Pete Weber of Edmonton. Mr. Weber was local manager for the Alberta Government Telephones for several years and was recently transferred from Stettler to Edmonton. His many friends here join in wishing him a complete and speedy recovery. Ralph Weber left Monday to be with his father.

Mr. and Mrs. Hal Fyckes and family of Granum visited briefly at the LaRoche home on Sunday.

Mrs. Dale Sprutle and infant son of Calgary were weekend visitors at the Ben Dann Sr. home.

Mr. and Mrs. Keith Harrison and family of Calgary spent Sunday at the Roy Fulton home.

David Reuss of Calgary spent the weekend with his parents, Rev. and Mrs. J. C. E. Reuss.

Mr. and Mrs. Verne Peterson were Mothers' Day visitors to the R. Johnson home at Blackie.

Mr. and Mrs. Homer Howerton of Calgary were recent visitors at the Elmer Jones' home.

Mrs. Glen Dahl and Miss Barbara Hagle were recent Calgary visitors.

Mr. and Mrs. C. J. Robinson of Calgary renewed acquaintances here on Sunday.

Duane Neville and Doreen Sather of Calgary spent Sunday at the Dave Neville home.

Mrs. Frieda McRoberts recently returned home from Edmonton where she had visited with her daughter and granddaughter, Mrs. K. Doeling and Linda for 10 days.

Friends of Mrs. Jack Marshall will regret to learn she is again confined to the local hospital.

Mr. and Mrs. E. W. Sparks spent Sunday at the home of their son-in-law and daughter, Mr. and Mrs. R. Stewart of Champion.

Mr. and Mrs. Jack Rutberg and grandchildren of Edmonton were recent district visitors.

Mr. and Mrs. Russ Lawrence spent Sunday at the home of Mrs. Eunice Phillips in Calgary.

Sunday guests at the home of Mr. and Mrs. Merv McIntyre were Mr. and Mrs. W. E. Woodward and Mr. and Mrs. Ed Gilroy of Calgary. Mrs. Woodward remained to spend the week here.

Mr. and Mrs. J. T. Willard were recent business visitors to Calgary. Mr. and Mrs. Gordon Bell spent Sunday with relatives at Waterton Lakes.

Mr. and Mrs. Harold Fox were Sunday Calgary visitors.

Members of the cast of the highly successful musical "H.M.S. Pinafore" and guests were honored at a turkey dinner, served in the United Church reception hall Monday evening. Hostesses for the occasion were Mrs. Viola Mensinger, Mrs. Pat Collier, Mrs. Mabel Rea and Mrs. Mavis Roebuck. A most enjoyable social evening followed the serving of dinner, and a birthday cake was cut in honor of Terrie McAfee and Walter Roebuck.

Instead of their regular monthly meeting, the ladies of Group 1, Women's Association, entertained the ladies of Group 2 at an afternoon tea in the basement of the United Church on Thursday, May 6. Mrs. R. Gold was convener of the lunch committee, Mrs. D. O. Jantzie presented the program and Mrs. David Montgomery welcomed the guests. A very pleasant afternoon was enjoyed by all.

Mr. and Mrs. B. A. Lloyd and daughters have left for Banff, where they will live during the summer months. This fall they will move to Lethbridge to take up residence in the southern city.
